

Approved Paymark EFTPOS Terminals

This page contains the current list of Approved EFTPOS Terminals certified to version 190, 2018, 2017 of the Paymark Terminal Specification for connection to the Paymark EFTPOS Network.

The Expiry date is the date after which no new device connections can be made to the Paymark network. Dispensations may apply to replaced merchant lanes or merchant additions only, but will need approval by Paymark and in some cases the Acquirer.

The sunset date is the date after which all devices must be removed from the Paymark network. Dispensations can apply to non-financial terminals only.

NB - Software version marked with *, 'x' denotes different characters in a software version
