

Approved Worldline EFTPOS Terminals

This page contains the current list of Approved EFTPOS Terminals certified to version 190, 2018, 2017 of the Worldline Terminal Specification for connection to the Worldline EFTPOS Network.

Restricted use (Expiry) date is the day after which no new device connections can be made to the Worldline network. Dispensations may apply to replaced merchant lanes or merchant additions only, but will need approval by Worldline and in some cases the Acquirer.

End of life (Sunset) date is the day after which all devices must be removed from the Worldline network. Dispensations can apply to non-financial terminals only.

NB - Software version marked with *, x donates different characters in a software version

190 Terminals in General Release
