

Approved Paymark EFTPOS Terminals

This page contains the current list of Approved EFTPOS Terminals certified to version 2018, 2017, 2016, 2015 of the Paymark Terminal Specification for connection to the Paymark EFTPOS Network.

The Expiry date is the date after which no new device connections can be made to the Paymark network. Dispensations may apply to replaced merchant lanes or merchant additions only, but will need approval by Paymark and in some cases the Acquirer.

The sunset date is the date after which all devices must be removed from the Paymark network. Dispensations can apply to non-financial terminals only.

NB - Software version marked with *, ✕ donates different characters in a software version

2015 Terminals in General Release

These devices have now expired. Currently deployed devices may continue to transact, but must be removed from the Paymark network by their sunset date. No new device connections can be made to the Paymark network.
